

Guide for Adding a Web App/Browser

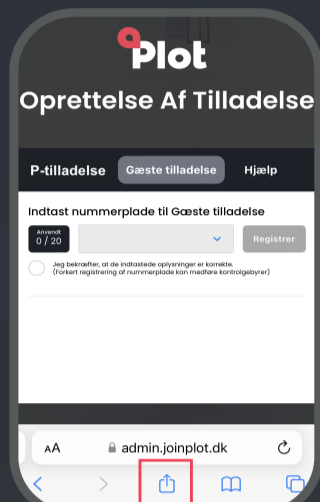

Need help? Call +45 5353 2500 or contact us at info@plotpark.dk

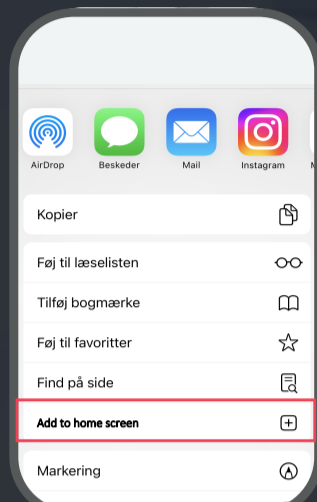

Download the link as an APP

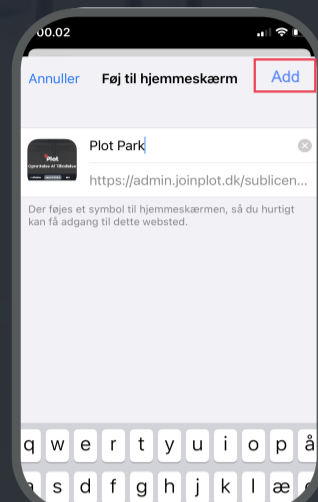

1 Click on the link from your mobile phone

2 Click on this "icon"

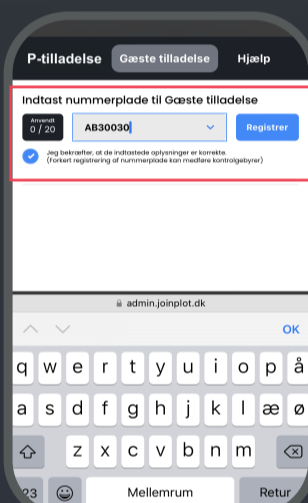

3 Select "Add to Home Screen"

4 Select "Add"

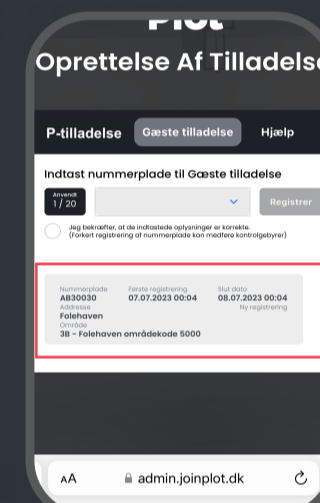

5 Your web app is now saved on your phone

6 Enter the license plate number that needs a parking permit/guest permit.

Accept the terms and select "Register"

7 You will now see a confirmation that the parking permit/guest permit has been registered.

Keep the link stored in your E-mail

Oprettelse af P-tilladelse

Kære Parkant

Du mangler kun at registrere din nummerplade før din P-tilladelse er gyldig.

VIGTIGT: Din digitale P-tilladelse er ikke oprettet endnu. For at få en gyldig P-tilladelse, skal du registrere din nummerplade via nedenstående link. HUSK at kontrollere, at du har indtastet din nummerplade korrekt. Er oplysningerne forkerte, kan det medføre en kontrolafgift. Tjek derfor venligst de indtastede oplysninger inden du benytter parkeringen.

OBS: Hvis linket melder fejl, bedes du venligst slette dine cookies/caches. Så skulle det gerne virke. Hvis du fortsat oplever udfordringer med linket efter du har slettet dine cookies/caches, så bedes du videregende linket til info@plotpark.dk

Tilføj din nummerplade her: [Klik her for at registrere en nummerplade](#)

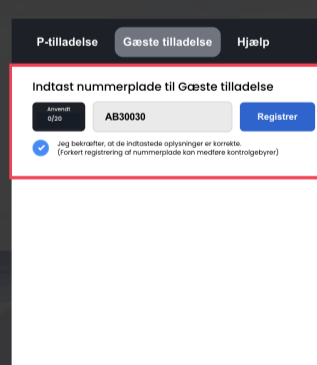

Vi har registreret følgende oplysninger:

Email:

Navn: 3B - Folehaven områdekode 5000

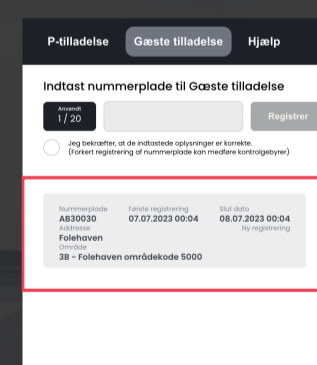

Adresse:
Folehaven

1 Klik på linket via din e-mail fra computer

2 Enter the license plate number that needs a parking permit/guest permit.

Accept the terms and select "Register"

3 You will now see a confirmation that the parking permit/guest permit has been registered.
