Follow up on board meeting

Laurits present a short resume of the board meeting.

Bike proposal-project

The residents' council agrees upon the bike proposal-project and a contract is drafted. The residents' council will fund bike repair tools for a bike shop to be opened at the dorm, where resident's can get their bikes fixed for a cheaper prize.

Rebecca will contact Alexandru, who will be running the bike shop for him to sign the proposal.

Handling of complaints

Rebecca takes Frederik's spot in the handling of complaints, while Frederik steps down as a suppliant to the complaint handling.

Guard service

The residents' council agrees that the guard service will be extended until spring, where we will reevaluate the service and bring it up for the residents to vote. Rebecca will ask the guard for an update on their work in 2 months' time.

Next residents' meeting

Next residents' meeting will be held in the beginning of March, where we among other things will evaluate the guard service.

Present at the meeting

Laurits, Martin, Frederik, Rebecca, Illinca and Dan.
